

DRUG DETECTIVE

Illegal drugs are on the loose, and we need your help to find out what can happen to someone's teeth. Be sure to search high and low and don't forget to take notes. Try typing in the words below on an internet search engine, like Google or Yahoo!, and list which website pictures can be found. Or if you can, print a few pictures and show us what you found. Try to start your search as soon as you can!
